"I, Selena Jackson, do hereby "complain," that I was "unlawful"
 detained again on 10/21/05, at the ELMHC, for the "same"
 warrant issue pertaining to case matter 0501CR02280, at
 the Cambridge District Court, who "issued me 2 Recognizances"
 for the hearing of 10/3/05, for which "ELMHC, was the cause"
 of negating my Recognizance" by "Not transporting me"
 to the Cambridge Dist Court, or the "Dorchester Dist. Court,"
 on the dates of 9/29/05, and 10/3/05, I therefore, was
 "remanded back to the ELMHC" after the "vandalism"
 charges at Dorchester Court, were "Dismissed." They transpo
 me to BMC on an alleged warrant pending from
Cambridge Dist Court for which the "Recognizances"
 were issued, and negated by ELMHC on 10/3/05 by
 "no transport to Court." I, did notify the Clerk of Court,
 of a possible "warrant issue," because of the "Technical"
 Default "caused by my detention at the ELMHC since
 9/16/05 - 10/21/05. The re-admittance to ELMHC, was considered
 "False detention, false arrest, denied due process, violation of my rights"
 The ELMHC, did on the 10/21/05, place a "Telephone Restriction,"

Complaint of Assault/Abuse (Cont'd)

On my phone calls, and thereby caused an "verbal confrontation" with "Fidel" the nurse on duty, when I was talking to Dr. Naidoo, on 10/21/05, "asking her to copy and/or fax legal documents," "for me to the Court" so that I could address my motion to appeal, within the time frame of (10 days). Except that, "Weather, Lois Trustin, and Dr. Naidoo," all refused to allow me to fax to the Court to expedite, the case matter, and then "informed me to mail it," which I tried to do, except that they would not copy the "motion," so therefore, I could not appear for court, and/or meet my time frame for prosecution. Therefore this constituted to me, Abuse, malpractice, maltreatment, obstruction of Justice, Assault, Neglect, mis-use of Authority, Viol. of Civ Rights, Denied right of Appeal, Denied of Refutation, Malice on Sunday, Fraudulent Concealment, Mail tampering, Invasion of Privacy, Malignant Mischievous, Bodily Harm. I therefore request, that the above charges, be made upon the named parties involved with all incidents pertaining to any Psychiatric hospitalization and/or detention for any 15B Commital, pertaining to Selena Thomas Jackson
